Whenever and as often as any mechanic's lien shall have been filed against the Leased Premises based upon any action or omission of Tenant or of anyone claiming through Tenant, Tenant shall either (i) within thirty (30) days after written notice from Landlord of the filing thereof, take such action by bonding, deposit or payment as will remove the lien as to the Leased Premises such as reasonably protects the Leased Premises from execution of such

lien, to the reasonable satisfaction of Landlord, or (ii) contest any such lien in good faith and with all due diligence so long as any such contest, or action taken in connection therewith, protects the interests of Landlord and any Leasehold Mortgagee. If Tenant shall fail to cause such lien to be so removed or fail to commence any such contest within such thirty (30) day period after being notified of the filing thereof, then, in addition to any other right or remedy of Landlord, Landlord may discharge the same by paying the amount of such lien or any portion thereof without inquiry as to the validity thereof, and such amount and all costs and expenses, including reasonable attorneys' fees and interest, incurred by Landlord in procuring the discharge of such lien shall be due and payable by Tenant to Landlord, as additional rent hereunder. Tenant shall indemnify and keep indemnified and defend and hold harmless Landlord against all such liens, charges and encumbrances, expressed or implied, which may encumber the Leased Premises as a result of or in connection with Athletic Facility, Improvements or such Alterations, work, labor, services or materials.

(d) Prior to commencing any construction of Improvements or any Alterations, Tenant shall obtain builders' risk insurance covering the Improvements and the Alterations to the full extent of the insurable replacement cost thereof for special perils. The policy shall expressly waive and bar any claim of subrogation against Landlord. Further, Tenant shall obtain a workers' compensation insurance policy providing statutory benefits for the City and State, including employers' liability, and including a waiver of subrogation against Landlord. All policies shall be provided by insurers licensed to do business in the State.

(e) Prior to commencing any construction of Improvements or any Alterations, Tenant and Tenant's general contractor shall review the City of Wilmington's Disadvantaged Business Enterprise ("DBE") list and shall incorporate potential DBE's into the bid package mailing list or otherwise invite such potential DBE's to submit bids in the same manner as all other potential bidders when bidding for construction or operational contracts. Tenant and Tenant's general contractor shall also work with local workforce development programs to identify local residents who would be eligible for employment on said construction or operational opportunities and shall work with said workforce development program to implement placement strategies to allow for increased participation of local residents to the extent practical without undue burden or cost.

(f) Until the Expiration Date (or Renewal Term Expiration Date if there are Renewal Terms) or date of sooner termination of the Term of this Lease, title to the Contemplated Improvements and all other Improvements and Alterations, and the equipment and all other items installed on the Leased Premises shall remain solely in Tenant, and Tenant shall be entitled to deduct all depreciation on Tenant's income tax returns for the Contemplated Improvements and such other Improvements, Alterations, equipment and items. Upon the Expiration Date (or Renewal Term Expiration Date if there is Renewal Term) or date of sooner termination of the Term of this Lease, the Athletic Facility and such other Improvements, Alterations, equipment shall be and become the property of Landlord, free from any liens or claims of Tenant whatsoever, without any compensation therefor from Landlord to Tenant, except that all tangible personal property not permanently part of the Athletic Facility, including furniture, furnishings, business and trade fixtures, machinery and communications, office and other equipment installed by or at the expense of Tenant, or by or at the expense of any subtenant and which may be removed by such subtenant under the provisions of its sublease, shall be and

remain the property of Tenant or such subtenant, as the case may be, for all purposes and may be removed at or prior to the Expiration Date (or Renewal Term Expiration Date if there is Renewal Term) or date of earlier termination of the Term of this Lease; provided that in the event of such removal at the Expiration Date (or Renewal Term Expiration Date if there is Renewal Term) or date of earlier termination, Tenant or such subtenant shall repair or pay the cost of repairing any damage to the Athletic Facility caused thereby.

6. Taxes and Utility Expenses.

(a) Commencing upon the Commencement Date, Tenant shall, during the Term of this Lease, pay and discharge, or shall cause to be paid and discharged, as and when the same shall become due and payable, to the extent legally assessed against the Leased Premises, all real estate taxes, special and general assessments, and other governmental impositions and charges of every kind and nature whatsoever, extraordinary as well as ordinary (hereinafter referred to as "Taxes") and each and every installment thereof which shall or may during the term of this Lease be charged upon, or with respect to, the Leased Premises or any part thereof, or any buildings, appurtenances or equipment situate thereon, under or by virtue of all present or future Laws, ordinances, requirements, orders, rules or regulations of the federal, state or county governments and of all other governmental authorities whatsoever. It is the intention and understanding of the parties hereto that the Leased Premises are currently exempt from real estate taxes as the fee interest is owned by an entity exempt from the assessments of real estate taxes.

(b) Landlord shall during the Term of this Lease, pay and discharge, or shall cause to be paid and discharged as and when the same shall become due and payable, to the extent legally assessed against the Leased Premises, all charges for storm water, sewer, and water. Tenant shall during the Term of this Lease, pay and discharge, or shall cause to be paid and discharged, as and when the same shall become due and payable, to the extent legally assessed against the Leased Premises, all charges for utility expenses furnished to the Lease Premises, other than storm water, sewer and water.

7. Maintenance, Repair and Obligations.

(a) Tenant shall, at its sole cost and expense, keep, or cause to be kept, the Leased Premises in good order and repair and shall make all restorations and Improvements necessary to maintain the Leased Premises in a good, safe and clean condition. Notwithstanding the other provisions of this Lease this shall include (i) making necessary repairs to structures and playing surfaces; (ii) cutting the grass and maintaining the property; (iii) abiding by the city Housing and Building Codes; (iv) maintaining parking areas; (v) maintaining all structures and playing surfaces; (vi) removal of snow and ice for parking lots on the Leased Premises; and (vii) maintaining parking lots, sidewalks, and guardrails within the Leased Premises. Tenant shall provide Landlord with notice of any proposed Alterations or Improvements and shall not commence construction on any Material Alterations and/or Material Improvements without obtaining Landlord's approval for the plans and specifications for such Material Alterations and/or Material Improvements. All such maintenance restorations, Improvements, Alterations and repairs shall be done in a good and workmanlike manner by qualified contractors. Nothing

shall preclude the Tenant from entering into an agreement with the Division for the Division to undertake the obligations set forth in this Section 7(a).

(b) During the Term of this Lease, Tenant shall, at its own cost and expense, promptly observe and comply with all Laws of the federal, state, city and county governments and other governmental authorities having jurisdiction over the Leased Premises and governing Tenant's use and occupancy of the Leased Premises.

(c) Tenant shall have the right to contest by appropriate legal proceedings, diligently conducted in good faith, in the name of Tenant or Landlord or both (if legally required), without cost or expense to Landlord, the validity or application of any Laws, other than Laws of the City, of the nature referred to in paragraph (b) above. Landlord agrees to execute and deliver any appropriate papers or other instruments which may be necessary or proper to permit Tenant to contest the validity or application of any such Law, other than a Law of the City.

8. Insurance and Indemnity.

(a) Fire and Extended Coverage Insurance. Tenant shall at all times during the Term of this Lease, at Tenant's sole cost and expense, insure the Athletic Facility and all other insurable Improvements hereafter erected or constructed on the Leased Premises or in the Athletic Facility and all equipment installed therein, against loss or damage by fire, lightning, windstorm, hail, explosion, riot, civil commotion, aircraft, vehicles or smoke, and also against such other risks, if any, as at the time are customarily insured against under a policy of "Extended Coverage" or as otherwise required by any financing, in a minimum amount of not less than eighty hundred percent (80%) of the full replacement cost of such Athletic Facility and improvements.

Tenant, at its sole cost and expense, for the mutual benefit of the Landlord and Tenant, shall at all times during the Term of this Lease, provide or confirm the procurement of, workers' compensation, general liability and property damage liability insurance coverage for personal injury, sickness, disease or death, or for damage or injury to or destruction of property (including the loss of the use thereof) occurring upon, in, or about the Leased Premises or the Athletic Facility or any Improvements hereafter erected or constructed thereon, to wit:

(i) Workers' Compensation & Employer's Liability Insurance

(A) Tenant, subtenant and any vendor or independent contractor engaged for work or services on the Premises shall purchase and keep in force and effect workers' compensation insurance affording statutory coverage and containing statutory limits that will provide the applicable statutory benefits for employees of any employer who may or do suffer covered injuries or diseases while involved in the performance of their work at the Premises; and, even if permitted to do so by statute, Tenant, subtenant, independent contractor, or vendor shall not reject any workers compensation insurance option that, in the absence of such a rejection, would be applicable to any of the said employees. The policy providing the workers' compensation insurance shall include: (1) broad form all-states coverage;

(2) an endorsement that specifically waives any subrogation rights the insurer would otherwise have against the City of Wilmington, its officials or employees.

(B) Tenant, subtenant, and any vendor or independent contractor shall purchase, and keep in force and effect, Employers' Liability insurance with maximum limits for each employee of \$1,000,000 for each bodily injury by accident, or occupational disease, and \$1,000,000 aggregate maximum limits for all bodily injuries by accidents and occupational diseases within the coverage period, regardless of the number of employees who may sustain bodily injuries by accident or occupational disease.

(A) Tenant and any vendor shall purchase: (1) motor vehicle liability coverage with liability limits for bodily injury of at least \$1,000,000 with a combined single limit, and \$100,000 for property damage for owned, hired and non-owned vehicles, covering any and all claims for bodily injury and property damage that arise out of tenant's or vendor's performance of work, and (2) comprehensive Commercial General Liability (CGL) insurance with limits of no less than \$1,000,000 each occurrence and \$2,000,000 annual aggregate. The CGL policy shall be extended by endorsement or otherwise to also include (a) coverage for Contractual Liability assumed by Tenant, and/or vendor, subtenant or independent contractor, with defense provided in addition to and separate from policy limits for indemnities of the named insured, (b) coverage for Independent Contractor Liability, (c) coverage for Broad Form Property Damage Liability, (d) coverage for Personal Injury and Advertisers Liability, (e) products and completed operations. The City of Wilmington shall be named as an "Additional Insured" on the motor vehicle liability coverages and CGL coverages.

(A) Each vendor or independent contractor hired by Tenant shall provide professional liability insurance with limits of at least \$1,000,000 per occurrence and \$1,000,000 annual aggregate. Tenant shall procure at its own expense excess insurance to limits deemed commercially reasonable for anticipated purposes.

(iv) General Requirements for all Insurance

(A) All insurance required under this contract except workers' compensation, employers liability, and professional liability shall be annually renewed and certification and notice thereof provided on a policy(s) that specifically names the City of Wilmington, its officials and employees as additional insureds.

(B) Each policy shall provide an endorsement that specifically waives any subrogation rights the insurer would otherwise have against the City of Wilmington, its officials or employees.

(C) Each policy shall be endorsed to require the insurer to give the City of Wilmington at least thirty (30) days' advance written notice of the insurer's intention to cancel, refuse to renew, or otherwise terminate the policy, suspend or terminate any coverage under the policy, or reduce any policy limits, increase any policy deductibles, or

otherwise modify or alter any terms or conditions of the policy or renewal issued by the same insurer.

(D) Each policy shall be written by a carrier licensed by the State of Delaware to do insurance business of the type involved in the State of Delaware, and which has, and maintains for the life of this contract, at least an "A" rating from the A.M. Best Agency with "Stable" outlook.

(E) Any change in this rating or outlook must be related to the City of Wilmington by the Tenant or vendor or insurance carrier as soon as possible upon learning of same; and the vendor shall use due diligence with its insurance broker or carrier to keep track of same.

(F) All insurance required under this contract except workers' compensation, employer's liability and professional liability shall expressly provide that such insurance shall be primary insurance.

(G) Deductibles for insurance provided under this contract shall not exceed two percent (2%) of policy limits.

(H) Tenant shall procure and retain records including Certificates of Insurance evidencing the above-stated coverages and other requirements, indicating the waiver of subrogation, and naming the City as an additional insured.

(c) Every insurance policy shall, to the extent obtainable, provide that it will not be cancelled or modified except upon thirty (30) days written notice to Landlord. Tenant shall advise Landlord promptly of any policy cancellation, reduction or amendment which adversely affects Landlord. Tenant shall deliver to Landlord certificates of insurance evidencing the existence of all policies of insurance referred to in Sections 5(d) and 8. Tenant shall be permitted to maintain the coverages required by this Lease under one or more blanket policies of insurance that also cover other properties owned by affiliates of Tenant.

(d) Landlord shall not carry any insurance concurrent in coverage and contributory in the event of a loss with any insurance which may be carried by Tenant if the effect of such separate insurance would be to reduce the protection or the payment to be made under Tenant's insurance. Landlord shall immediately notify Tenant of the taking out of any separate insurance and the terms thereof.

(e) Except as otherwise specifically provided in this Lease, Tenant shall defend, indemnify and hold Landlord harmless from any and all claims, lawsuits, loss, liability, costs or expenses, including reasonable attorneys' fees, arising out of or related to (i) any claim of bodily injury, property damage or other damages on the Leased Premises or (ii) the activities, improvements and uses of the Leased Premises contemplated by this Lease, except to the extent that such injury or damage results from the negligence or willful misconduct of Landlord or its authorized agents, employees or contractors. Landlord shall not be liable to Tenant or Tenant's agents, employees, invitees or any person entering upon the Leased Premises in whole or in part because of Tenant's use of the Leased Premises or any claim of, damage or injury to persons or property due to any condition, design, or defect in the Leased Premises or its mechanical systems

which may exist or occur, except to the extent that such claim or damage results from the negligence or willful misconduct of Landlord. Landlord shall not be liable or responsible for any loss, damage or injury to any property or person occasioned by theft, fire, requisition or order of governmental body or authority, or other matter beyond control of Landlord, or, except as otherwise specifically provided in this Lease, for any injury or damage or inconvenience to Tenant which may arise through the repair or alteration of any part of the Leased Premises by Landlord in accordance with the terms of this Lease, or failure to make repairs, or from any other cause whatever.

9. Assignment and Sublease. Tenant shall not assign this Lease or otherwise Transfer the Leased Premises or any portion thereof to any person other than Tenant without obtaining, on each occasion, the express prior written consent of Landlord, subject to and in accordance with the terms of this Lease. Notwithstanding the foregoing, Tenant shall have the right to assign this Lease, or any interest in the Improvements or any Alterations or to sublet the whole or any part of the Leased Premises to any affiliate of Tenant, successor by merger or consolidation, or acquirer of substantially all of the stock in Tenant or substantially all of the assets of Tenant (an "Excluded Transaction") without the consent of Landlord provided that Landlord shall receive written notice of such Excluded Transaction at least sixty (60) days prior to the effective date thereof which shall include reasonable evidence that such transaction is in fact an Excluded Transaction (and provided further that the proposed transfer complies with all other provisions of this Lease, does not alter Landlord's rights under the Lease, and does not impose any additional obligation on Landlord). Subject to Public Time and City Time, Landlord acknowledges and agrees that Tenant may enter into license and occupancy agreements (the "Use Agreements") for the use of all or any part of the Athletic Facility located at the Leased Premises for uses that are harmonious, tangential or supportive of the Permitted Use, under such terms and conditions as Tenant may desire and in compliance with applicable law; provided such consideration payable under such Use Agreements are at prevailing market rates or at such other rates approved by the Landlord. Notwithstanding the above, Tenant shall endeavor to engage other community and local groups who may be interested in utilizing the Leased Premises and Tenant shall develop criteria that will allow such groups to have reasonable access and use to the Leased Premises.

10. Utility Easements. Tenant shall have the right to enter into agreements with utility companies limited to the term of the Lease independently or indefinitely with the written permission of the Landlord creating easements in, across, over and through the Leased Premises in favor of such utility companies as are required in order to provide complete utility service to the Athletic Facility or any other improvements constructed on the Leased Premises, and Landlord covenants and agrees to consent thereto and to execute any and all documents, agreements and instruments and to take all other actions in order to effectuate the same, all at Tenant's sole cost and expense. If the grant of said utility easements are determined to require City Council approval, such approval is hereby deemed authorized and no further action by City Council shall be required.

11. Leasehold Mortgages. In connection with any Financing, Tenant shall be entitled to grant a mortgage against its estate and interest arising under this Lease (each, a "Leasehold Mortgage") and to assign any interest in this Lease or any permitted sublease as

collateral security for such Financing, upon the condition that all such Leasehold Mortgages shall be subject to each and all the covenants, conditions and restrictions set forth in this Lease, and to all rights and interests of Landlord herein. Tenant shall inform Landlord in writing of the name and current address of the holder of any Leasehold Mortgage (a "Leasehold Mortgagee"). Landlord agrees that so long as the obligation secured by any Leasehold Mortgage remains outstanding, the following provisions shall apply:

(a) There shall be no cancellation, surrender or modification of this Lease by joint action of Landlord and Tenant without prior notice in writing to any Leasehold Mortgagee.

(b) Landlord shall, upon serving Tenant with any notice of default, serve a copy of such notice upon any Leasehold Mortgagee to the extent that Tenant has provided Landlord with the address for such Leasehold Mortgagee.

(c) Landlord agrees that the name of any Leasehold Mortgagee may be added to the loss payable endorsement of any and all insurance policies required to be carried by Tenant hereunder on the condition that the insurance proceeds are to be applied in the manner specified in this Lease and that the Leasehold Mortgages or other collateral document shall so provide.

(d) Nothing herein contained shall require any Leasehold Mortgagee or its nominee to cure any default of Tenant.

(e) Landlord shall, upon request, promptly, execute, acknowledge and deliver to each Leasehold Mortgagee an agreement, prepared at the sole cost and expense of Tenant and in such form as shall be satisfactory to such Leasehold Mortgagee, but subject to Landlord approval which shall not be unreasonably withheld, conditioned or delayed.

12. Performance by Assignee. Any act required to be performed by Tenant pursuant to the terms of this Lease may be performed by any permitted assignee of Tenant with the Landlord's written consent which shall not be unreasonably withheld, conditioned or delayed and the performance of such act shall be deemed to be performance by Tenant and shall be acceptable as Tenant's act by Landlord.

13. Quiet Enjoyment. Tenant, upon paying the Rent and all other sums and charges to be paid by it under this Lease, and observing and keeping all covenants, warranties, agreements and conditions of this Lease on its part to be kept, shall quietly have and enjoy the Leased Premises during the term of this Lease.

14. Default Provisions.

(a) The occurrence and continuance any one or more of the following events shall constitute an "Event of Default" under this Lease:

(i) If Salesianum ceases to operate as a non-profit school; or

(ii) If Salesianum ceases to use the Athletic Facilities as contemplated in this Lease; or

(iii) If default shall be made in the due and punctual payment of any Rent or any other monetary payments to be made by Tenant to Landlord hereunder, when and as the same shall become due and payable, and such default shall continue for a period of ten (10) days after Tenant's receipt of written notice thereof from Landlord to Tenant; or

(iv) If default shall be made by Tenant in the performance of or compliance with any of the covenants, agreements, terms or conditions contained in this Lease—including without limitation the City and Public Time requirements in Section 4, the Improvements and Alterations requirements in Section 5, and maintenance and repairs requirements in Section 7—and such default shall continue for a period of sixty (60) days after receipt of written notice specifying such default from Landlord to Tenant; or, if it shall not be reasonably possible to cure such default within a period of sixty (60) days, then such longer period reasonably designated by Landlord in order to allow Tenant to promptly remedy such default following Tenant's receipt of the default notice; or

(v) Tenant shall fail to vacate the Leased Premises immediately upon termination of this Lease, by lapse of time or otherwise, or upon termination of Tenant's right to possession only; or

(vi) The leasehold interest of Tenant shall be levied upon under execution or be attached by process of law, except by an action by any Leasehold Mortgagee, and Tenant shall fail to contest diligently the validity of any lien or claimed lien and give reasonably sufficient security to Landlord to insure payment thereof, or Tenant shall fail to satisfy any judgment rendered thereon and have the same released, and such default shall continue for sixty (60) days after written notice thereof to Tenant.

(b) If an Event of Default has occurred and continues beyond those periods of time herein granted to cure the same, then Landlord, in addition to any other remedies to which Landlord may be entitled at law or in equity, Landlord shall have the right to terminate this Lease by giving Tenant a notice of termination, whereupon Tenant's rights under this Lease shall terminate.

(c) LANDLORD AND TENANT EACH AGREE TO AND THEY HEREBY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY EITHER OF THE PARTIES HERETO AGAINST THE OTHER ON ANY MATTER WHATSOEVER ARISING OUT OF OR IN ANY WAY CONNECTED WITH THE LEASE, THE RELATIONSHIP OF LANDLORD AND TENANT, OR TENANT'S USE OR OCCUPANCY OF THE LEASED PREMISES, AND ANY CLAIM OR INJURY OR DAMAGE AND/OR ANY STATUTORY REMEDY.

15. Casualty. In the event of damage to or destruction of the Athletic Facility by fire or other casualty, Tenant, shall promptly restore the Athletic Facility as nearly as practicable to its condition prior to such damage or destruction. All insurance proceeds received by Tenant shall be applied to the payment of restoration of the Athletic Facility. In no event shall

Landlord have any obligation under this Lease to repair, restore or rebuild the Athletic Facility or any other Improvements.

16. Condemnation.

(a) If at any time during the Term of this Lease, title to the whole or materially all of the Leased Premises shall be taken by exercise of the right of condemnation, eminent domain or by agreement between Landlord and those authorized to exercise such right (all such proceedings being collectively referred to herein as a "taking") this Lease shall terminate and expire on the date of such taking and the rent shall be apportioned and paid to the date of such taking.

(b) In the event of the taking of the whole or materially all of the Leased Premises during the Term of this Lease, the rights of Landlord and Tenant shall be dictated by applicable law. At a minimum, Tenant shall be entitled to receive the appraised fair market value of the improvements and its property interest, which amount should take into consideration the tenant's total investment in capital improvements to the Leased Premises up to the date of the take. Additionally, Landlord commits to Tenant in good faith that other property or properties will be made available to Tenant for a lease comparable to this Lease.

(c) If at any time during the Term of this Lease, title to less than the whole or materially all of the Leased Premises shall be taken, this Lease shall continue, provided that the portion of the Leased Premises remaining may be utilized by Tenant for the same purposes for which it was used prior to the taking and all of the award collected by Landlord shall be held jointly by Landlord and Tenant and applied and paid over toward the cost of restoration of the Leased Premises and Improvements, to as nearly the same condition as possible as they existed before the taking. Any balance remaining in said fund after payment of the cost of restoration shall be used to thereafter maintain the Leased Premises.

17. Naming, Sponsorship and Advertising.

(a) During the Term of this Lease, Landlord hereby grants to Tenant the exclusive license to name all or any part of the Leased Premises, including, without limitation the stadium, field, track, locker rooms, tennis courts and Stadium Drive (the "Naming Rights"). Tenant shall have the unrestricted right and privilege to control all other naming opportunities on the Leased Premises at its own discretion for any purpose, including, but not limited to, fundraising purposes. The City Council is hereby deemed, by approving this Lease, to have expressly waived naming rights for the Leased Premises, including specifically with respect to Stadium Drive under Section 2-3 of the Wilmington City Code. In the event Tenant is not able to exercise such Naming Rights Tenant shall have the right to terminate this Lease in which event this Lease and all of Tenant's obligations hereunder shall be null and void and of no further force or effect.

(b) During the Term of this Lease, the parties agree that Tenant will have the right and privilege to develop, at Tenant's expense, a graphic design incorporating the name of the Athletic Facility to be used as the primary logo associated with the venue (the "Primary Logo"). Tenant may also develop, at Tenant's expense, derivative graphic designs

related to the Primary Logo to be used periodically for ancillary marketing and promotional purposes pursuant this Lease (the "Secondary Logos") (collectively, the "Logos").

(c) In connection to the Naming Rights granted to Tenant hereunder, Tenant will be entitled to have certain signage or other forms of exposure of the Athletic Facility placed in, on and around the Leased Premise (the "Signage"); provided such Signage shall comply with the requirements of applicable law.

(d) Subject to the requirements of applicable law, Tenant shall have the right and privilege to sell advertising and pursue sponsorship opportunities in any manner on the Leased Premises.

(e) As of the Effective Date, Tenant and City will use reasonable commercial efforts to cause any existing public roadway signs referencing the Athletic Facility and controlled by the City (the "City Street Signs") to identify the Leased Premises with the Logos and Stadium Name. Tenant shall be responsible for the initial cost of purchasing and installing the replacement City Street Signs under this Lease. Such signs must be substantially similar to the existing signs or otherwise approved by the City. Thereafter, the City will be responsible for the cost, maintenance, repair and replacement of the City Street Signs installed hereunder in the same manner the City maintains, repairs and replaces City Street Signs in its normal course of business.

(f) As of the Effective Date, Tenant and Landlord will use reasonable commercial efforts to cause any existing federal, state and/or local public roadway and/or public transportation signs referencing the Athletic Facility and controlled by the county, state and/or federal government or any related government agency (the "Highway and Public Transportation Signs") to identify the Athletic Facility by the Stadium Name and Logo. To the extent that there is any cost to purchase and/or replace or install the Highway and Public Transportation Signs that is not being voluntarily borne by the controlling body thereof, then such cost will be solely paid for by Tenant in a timely manner.

18. Notices. Every notice, approval, consent or other communication authorized or required by this Lease shall not be effective unless the same shall be in writing and sent postage prepaid, by United States registered or certified mail, return receipt requested, by hand delivery, or by overnight courier, directed to the other party at its address hereinabove first mentioned, or such other address as either party may designate by notice given from time to time in accordance with this paragraph. Notices shall be deemed given when so sent; but time periods for performance following notice shall run from the date the notice has been received or receipt is refused.

19. Estoppel Certificate. Tenant or Landlord, at any time, and from time to time, upon not less than twenty (20) days prior written notice from the other party, will execute, acknowledge and deliver to the requesting party, it being intended that such statement delivered pursuant to this Section may be relied upon by the requesting party or by other persons reasonably designated by the requesting party, a certificate certifying:

(i) That this Lease is unmodified and in full force and effect (or, if there have been modifications that this Lease is in full force and effect as modified and stating the modifications);

(ii) Whether or not there are then existing any offsets or defenses against the enforcement of any of the covenants, agreements, terms or conditions hereof upon the part of the certifying party to be performed or complied with (and, if so, specifying the same);

(iii) The date through which the Rent and other charges under this Lease have been paid;

(iv) Such other factual statements concerning this Lease as may be reasonably requested.

20. Governing Law. This Lease and the performance of all the terms and conditions contained herein shall be governed, interpreted, construed and regulated by the laws of the State of Delaware. All disputes in connection with this Lease shall be resolved by the courts of New Castle County, Delaware. The parties agree to submit exclusively to the jurisdiction and venue of said courts.

21. Partial Invalidity. If any term, covenant, condition or provision of this Lease, or the application thereof to any person or circumstance shall, at any time, or to any extent, be invalid or unenforceable, except if such term, covenant, condition or provision is material to each party receiving the benefit of its bargain hereunder in all material respects, the remainder of this Lease, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or enforceable, shall not be affected thereby, and each term, covenant, condition and provision of this Lease shall be valid and be enforced to the fullest extent permitted by law.

22. Severability. Any provision of this Lease that may be determined by competent authority to be illegal, invalid, prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such illegality, invalidity, prohibition or unenforceability without invalidating the remaining terms and provisions hereof, and any such illegality, invalidity, prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable any terms and provisions hereof in any other jurisdiction.

23. Reliance and Amendments. No oral statement or prior written matter shall have any force or effect. Landlord and Tenant each agree that it is not relying on any representations or agreements other than those contained in this Lease. This Lease shall not be modified or cancelled except by writing subscribed by all parties.

24. Counterparts. This Lease may be executed in several counterparts, each of which shall be an original, but all of which shall constitute but one and the same instrument.

25. Parties. Except as herein otherwise expressly provided, the covenants, conditions and agreements contained in this Lease shall bind and inure to the benefit of Landlord and Tenant, and their respective successors and assigns.

26. No Partnership. It is understood and agreed that no party hereto shall be construed or held to be a partner, joint venturer or associate of the other in the conduct of the other's business, nor shall either party be liable for any debts incurred by the other; but it is understood and agreed that the relationship is and at all times shall remain that of landlord and tenant.

27. Headings; Pronouns. The headings of the sections of this Lease are for convenience only and have no meaning with respect to this Lease or the rights or obligations of the parties hereto. Unless the context clearly indicates a contrary intent or unless otherwise specifically provided herein: "person", as used herein, includes an individual, corporation, partnership, trust, unincorporated association, government, governmental authority, or other entity; "Leased Premises" includes each portion of the Leased Premises and each estate or interest therein; "hereof", "herein", and "hereunder" and other words of similar import refer to this Lease as a whole; "Lease" includes these presents as supplemented or amended from time to time by written instrument(s) entered into by Tenant or Landlord; "Landlord" includes Landlord's successors and assigns; "Tenant" includes Tenant's permitted successors and assigns; and "parties" means Landlord and Tenant. Whenever the context may require, any pronoun used herein shall include the corresponding masculine, feminine or neuter forms, and the singular form of pronouns or nouns shall include the plural and vice versa.

28. Survival. All provisions of this Lease providing for indemnification or limitation of or protection against liability of either party and all other provisions hereof expressly stated to survive the termination of this Lease shall survive the termination, cancellation, or expiration of this Lease.

29. Force Majeure. Neither party will be in default under this Lease if that party's performance is delayed or prevented by or due to strike, lockout, inability to obtain labor and materials, war, riot, unusually severe weather conditions, acts of God and other similar causes beyond the control of that party that were not reasonably foreseeable, and the time within which that party must comply with any of the terms, covenants and conditions of this Lease will be extended by a period of time equal to the period of time that performance by that party is delayed or prevented by the causes specified above.

30. Consents. Whenever the consent or approval of Landlord or Tenant is required under this Lease, Landlord and Tenant agree that such consent or approval shall not be unreasonably withheld or delayed; provided, that such consent or approval shall not require any regulatory or adjudicatory determination or ruling by Landlord. In any event, the failure of Landlord or Tenant to respond to a request for its consent or approval under this Lease within sixty (60) days after being properly provided notice under this Lease of such request (except where some other period of time is expressly provided for in this Lease) shall constitute Landlord's or Tenant's consent or approval, as the case may be. If either party shall withhold its approval of or consent to any proposed action, person or thing, such party shall specify its reasons therefor. Notwithstanding anything to the contrary herein, the parties hereby acknowledge and agree that this Section 30 shall not be applicable to any consent or approval of a regulatory or adjudicatory nature, and nothing in this Lease shall be deemed to limit or impair the regulatory or police power of the City.

31. Computation of Time Periods. All periods of time referred to in this Lease shall include all Saturdays, Sundays and City, state or national holidays, unless the period of time specifies business days, provided that if the date or last date to perform any act or give any notice or approval shall fall on a Saturday, Sunday or holiday when City offices are closed, such act or notice may be timely performed or given on the next succeeding day which is not a Saturday, Sunday or holiday when City offices are closed.

32. Memorandum of Lease; Recordation. Landlord and Tenant agree that this Lease shall not be recorded. EXHIBIT D

DESCRIPTION OF CONTEMPLATED IMPROVEMENTS

By entering this lease agreement with the City of Wilmington, Salesianum School seeks to rehabilitate Baynard Stadium such that it can return to its rightful place in our community as a preferred venue for athletics and competition for all ages, while also serving as a proud focal point for recreation for members of the nearby community. Salesianum School's initial investment in the Leased Premises is described as follows:

- A. South Bleacher Structure - serving as the anchor of the project, this new structure will be the architectural focal point of the new stadium and is likely to include:
 - a. Bleachers – mix of seat back and regular bleachers and handicapped accessible accommodations.
 - b. Locker Rooms – for both home and visiting teams
 - c. Public Restrooms
 - d. Concessions
 - e. Press Box and Coaches Boxes
 - f. Community Room – Multi-purpose space overlooking the field with a capacity for 35-50
 - g. Pedestrian Walk
 - h. Stadium Storage
 - i. Ticket Booths
- B. Field – Multi-purpose field for varsity-level football, soccer, lacrosse as well as other sports. Synthetic turf will be selected based on performance for multi-sports as well as concussion reduction.
- C. Track – A new 8-lane track is planned to accommodate competitive high school-level meets. Multiple track geometries will be considered to coordinate optimal field dimensions, track configuration and spectator viewing.
- D. Field Events – The goal will be to locate all high-school level field events, per DIAA, within the stadium complex, including high jump, pole vault, long jump, triple jump, shot put and discus throw.
- E. Scoreboard – Digital scoreboard will allow for personalized graphics for each home team.
- F. Stadium Lights – New LED stadium lights and poles with shielding to limit light overflow.
- G. Office Space – Available for Salesianum and other including DNREC and Park Rangers.
- H. Retail – Supportive and harmless retail space, such as concessions and merchandise.
- I. Maintenance Facilities – These will include shop and storage facilities for DNREC and Salesianum equipment and vehicles as well as open bays for landscape materials.
- J. Parking – Most parking will remain open and unpaved to keep in the spirit of the State Park, but some lined spaces will be added. Handicapped parking spaces and new drop off location will be added on the interior (away from 18th Street).
- K. Signage – Identification, wayfinding, and donor recognition signage will be incorporated into the stadium complex.
- L. Building / Site Systems – All mechanical, electrical, plumbing, public address, telecommunication and life safety systems will be replaced or upgraded to meet current

codes. Stormwater management systems will also be integrated to meet regulatory requirements.

Notes:

Due to the proximity of the CSX Railroad Tracks to the field the North Bleachers will likely need to be reconfigured or eliminated in order to meet code requirements. Seating capacity will be adjusted accordingly to maintain a seated audience of between 3,000 and 4,000 spectators. Additionally, grassed berms and widened plaza areas are anticipated to allow extra capacity, as has historically been the case at the stadium.
