SYNOPSIS: This Ordinance authorizes the issuance of the City's General Obligation Bond, Series of 2018C-WPCRF, in an amount not to exceed \$1,206,460 (the "2018C Bond"). The bonds which will be sold to the Delaware Water Pollution Control Revolving Fund in order to: finance capital projects of the City, specifically, the Sewer Separation Projects and Flow Monitoring.

FISCAL IMPACT: Notable impact is on the City's debt service expenditure which is subject to the operating budget for such fiscal year, that is a product of the interest rate specified and the outstanding balance on the loan on such dates as set forth in the financing agreement. Debt service related to the City's enterprise funds are not subject to the statutory limit. Full accrual schedule will be set at project completion at which time, principal and interest of the bonds payable will amortize over the remaining term to maturity to achieve level debt service. Although principal payments are not expensed, there is fiscal impact on the City's cashflow from financing activities, subject to review by the City Treasurer.
