#0086 An Ordinance to Amend Chapter 48 of the City Code Regarding Uses Permitted in the W-4 (Waterfront Residential/Commercial) Zoning District and Parking Lot Landscaping Requirements for All Waterfront Zoning Districts (**1st & 2nd Reading**)

Synopsis: *This Ordinance is being presented by the Administration for Council’s review and approval. This Ordinance makes the following amendments to Chapter 48 of the City Code (the “Zoning Code”) regarding uses permitted in the W-4 (Waterfront Residential/Commercial) zoning district: (1) prohibits drive through facilities as matter of right uses; (2) limits light manufacturing uses to a maximum of 5,000 square feet per approved use as both matter of right uses and uses permitted with Zoning Board of Adjustment approval; and (3) prohibits outdoor wholesale storage as a use permitted with Zoning Board of Adjustment approval. In connection with the aforementioned amendments, this Ordinance defines the term “drive through facility”. This Ordinance also amends the Zoning Code to remove the exemption from the City’s parking lot landscaping requirements for all waterfront zoning districts (W-1 (Waterfront Manufacturing), W-2 (Waterfront Manufacturing/Commercial), W-3 (Waterfront Low Intensity Manufacturing/Commercial Recreation), and W-4 (Waterfront Residential/Commercial)), thereby requiring all new parking lots in waterfront zoning districts to comply with the City’s parking lot landscaping requirements.*
