WALKWAY AND TEMPORARY CONSTRUCTION EASEMENT AGREEMENT

THIS WALKWAY AND TEMPORARY CONSTRUCTION EASEMENT AGREEMENT (this “Agreement”) is made this ___ day of _____, 2023 by and between the CITY OF WILMINGTON, a municipal corporation of the State of Delaware (the “Grantor” or the “City”), and the FREIRE CHARTER SCHOOL WILMINGTON, INC., a Delaware corporation (the “Grantee”).

WHEREAS, the Grantor owns a certain parcel of parkland with an address of 1001 North Park Drive, Wilmington, Delaware, being Tax Parcel No. 26-013.40-075 (the “Property”);

WHEREAS, the Grantee owns an adjacent parcel of land and building situated upon it with an address of 205 West 14th Street, Wilmington, Delaware, being Tax Parcel No. 26-028.20-113 (the “Grantee’s Land”);

WHEREAS, in order to comply with the requirements of the fire code and fire marshal, the Grantee intends to construct a building exit and walkway to the rear yard of the Grantee’s Land, said exit and walkway thereby encroaching upon the Property of the Grantor;

WHEREAS, the Grantee requires a permanent easement along the Property in order to accommodate the exit and walkway and a temporary construction easement along the Property in order to install the exit and walkway; and

WHEREAS, the Wilmington City Council has approved by resolution the granting of the easements set forth in this Agreement.

NOW THEREFORE, the parties hereto, intending to be legally bound hereby and by the foregoing recitals, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, promise and agree to the following:

1. Walkway Easement. The Grantor hereby gives, grants, and conveys to the Grantee, its lessees, successors, and assigns, a non-exclusive easement (the “Walkway Easement”) over, upon, and across certain portions of the Property as specifically depicted in Exhibit “A” attached hereto and incorporated by reference herein (the “Easement Area”) in order to construct, install, maintain, repair, replace, and remove a building exit and walkway required for compliance with fire code regulations and requirements of the fire marshal. The City shall not place, plant, erect, or construct

any manner of tree, shrub, bush, fence, structure or other man-made improvement within the Easement Area that would impair the use of such Easement Area by the Grantee.

2. Temporary Construction Easement. The Grantor does hereby grant unto the Grantee and its respective agents, contractors, representatives, licensees, and invitees (collectively, the “Authorized Entrants”) a right of ingress and egress to and over additional portions of the Property, as specifically depicted in Exhibit “A” attached hereto and incorporated herein (the “Construction Easement Area”), for the purpose of providing temporary construction access in order to install and construct the required exit and walkway (the “Temporary Construction Easement”, and, together with the Walkway Easement, the “Easements”). The Temporary Construction Easement described in this Section 2 shall terminate upon the completion of the construction of the exit and walkway, which in any event shall be no later than August 1, 2023. The Grantee solely at its own expense shall restore the Construction Easement Area and other portions of the Property that are damaged by the construction of the exit and walkway or the use of the Construction Easement Area to their pre-construction condition to the degree that is reasonably practicable. Upon completion of any such restoration, the Grantee shall obtain the express written approval of the Grantor that the restoration is satisfactory and sufficient. The restoration shall be undertaken and completed immediately after the construction is finished, which in any event shall be no later than September 1, 2023.

3. Removal and Replacement of the Fence. In order to construct the exit and walkway, the Grantor acknowledges and expressly permits the Grantee to remove the fence that now runs through the Easement Area; provided, however, that the Grantee solely at its own expense shall promptly replace the fence at a location as close as practicable to the Easement Area and property line that divides the Property from the Grantee’s Land. The new fence shall be substantially similar to the fence that is removed, except that it shall not contain any barbed wire. Upon completion of the replacement of the fence, the Grantee shall obtain the express written approval of the Grantor that the installation of the new fence is satisfactory.

4. Access. The Grantor grants the Grantee a right of ingress and egress to and over the Property for the limited purpose of exercising the easement rights.

5. Reservation of Rights. The Grantor expressly retains for itself, as well as for its successors and assigns, full rights to the use of the Easement Area for any lawful purposes that do not interfere with, or impede the use of, the Easements granted to the Grantee herein, including by way of example but not limitation, the right to utilize the Easement Area for continued ingress, egress, and regress.

6. Abandonment of Easement. If the Grantee, or its successors and assigns, ever abandons the exit and walkway on the Grantee’s Land and the Property, the Walkway Easement as set forth in Section 1 above shall terminate, be null and void, and will no longer encumber the Property of the Grantor. “Abandonment” has its plain and legal meaning, but includes the following: the failure to maintain the building exit and walkway to the standards required by all applicable statutes, ordinances, and regulations related to public health and safety; any change in use of the building on Grantee’s Land; or any change in the applicable law that eliminates the need for the existence of the exit and walkway in order to maintain compliance with the fire code regulations and orders of the fire marshal that necessitated its installation. If the Grantee, or its successors and

assigns, abandons the exit and walkway, the Grantee, its successors or assigns, shall solely at its own expense remove the exit and walkway and restore the Property to its condition before the installation of the exit and walkway, or, alternatively, shall be liable to the Grantor for the full amount of the cost to the Grantor of restoring the Property to its pre-installation condition, which total cost shall constitute a lien on the Grantee's Land. The Grantee shall notify the Grantor in writing of its intent to abandon the Walkway Easement at least ninety (90) days before it takes any action that is reasonably likely to cause an abandonment of the Walkway Easement, or, if appropriate, immediately following the discovery of any change or condition that necessitates an abandonment of the Easement.

7. No Third-Party Beneficiaries. Notwithstanding anything contained in this Agreement to the contrary, this Agreement is solely for the benefit of the parties hereto, their successors and assigns, and shall not benefit any third party or create or operate to create, either expressly or impliedly any rights, title, or interests hereunder in favor of any third party.

8. Indemnification. The Grantee shall defend, indemnify, and hold the Grantor, its officers, agents, and employees, safe and harmless from and against from any and all losses, costs, damages, claims, actions, or liabilities on account of the death or injury of any person or persons or and any and all damage or destruction of any property on the Easement Area or Construction Easement Area whenever such death, injury, property damage, or destruction arises from or grows out of the exercise of the Grantee's rights herein. This section shall survive any subsequent termination of this Agreement.

9. Release. The Grantee shall obtain a release, in a form satisfactory to the City, from any and all Authorized Entrants releasing the City, its officers, agents, and employees, for any claims for personal injury or property damage arising from the Authorized Entrants' presence on the Property.

10. Notices. All notices under this Agreement shall be in writing and sent prepaid by (i) certified mail, return receipt requested, (ii) overnight courier of national or regional recognition (such as UPS or Federal Express) or (iii) personal delivery or courier. The written notice shall to the extent practicable cite to the applicable term of the Agreement and must in all cases be accompanied by a copy of the executed Agreement:

(e) The Grantee shall abide by all laws and regulations whatsoever in effect which govern the installation, construction, use, and maintenance of the exit and walkway. In the event the Grantee fails to comply with any such law or regulation, the City shall be afforded all rights and remedies available at law, including, but not limited to, the right to cure any unlawful condition at the expense of the Grantee, and, in its discretion, to terminate this Agreement and the Walkway Easement and Temporary Construction Easement it grants.
