

WITN currently has programming in the following categories:

- Wilmington City Council Meetings
- WITN Message Board
 - Runs in between our television programming. Provides information for:
 - Program Schedule
 - DeIDOT Updates
 - Information for Services, Resources, and Events.
- Two Minute Drill
 - Filmed at the request of council members as a platform to talk about events and topics of interest to their respective districts and the city at large.
- 22 News
 - Platform used for community news and stories of interest.
- 22 News On the Scene
 - Platform cover press conferences and ceremonies in their entirety. Streamed live on Facebook and YouTube and rebroadcasted on our Comcast Channel
- Sights and Sounds
 - Platform in which we give a snapshot of events, parades, and festivals.
- Special Programming and Public Service Announcements
 - One-off videos to inform residents about particular topics and programs.
- Parks and Recreation Update
 - New monthly program with Wilmington's Park and Recreation to give information on the department's events and services.
- Inside the District
 - New platform for councilmembers to highlight organizations and businesses making impacts within their respective districts and the city at large
