Ord. 24-011 Amend Chapter 42 of the City Code Regarding Permits for Certain Residential Property Owners and Occupants to Use, Install, and Maintain Curbside Charging Cords and Electric Vehicle Charging Stations in the Public Right-of-Way (3rd & **Final Reading**)

PASSED

Synopsis:

This Ordinance is being presented by the Administration for Council’s review and approval. This Ordinance amends Chapter 42, Article III, Division 3 of the City Code, a division that creates a procedure for residents to obtain permits for the use and installation of curbside charging cords and electric vehicle charging stations in the public right-of-way, with the recommended changes of the Electric Vehicle Working Group charged with that task. Among other things, this Ordinance: (i) harmonizes the definition of electric vehicle with State law; (ii) allows a frequent operator/non-owner of an electric vehicle to obtain a permit for a charging station or cord; (iii) clarifies that when the permit holder and property owner are not the same person the property owner is jointly responsible for code compliance; (iv) allows the City to grant a variance for a property owner with off-street parking on the owner’s property to have a charging station if parking conditions in the neighborhood permit; (v) sunsets the curbside charging cord permitting process if not reenacted by July 1, 2030; and (vi) corrects unintended typographical and grammatical errors.
