**SYNOPSIS:** This Resolution authorizes the Department of Public Works grant application to the United States Department of Transportation in the amount of \$200,000. The proposed grant funds would be used to support the development of a Safe Streets for All Action Plan for the City, which will build on the City bike plan's Vision Zero goal, the Delaware Department of Transportation's pedestrian safety study, and the final report and recommendations of the New Castle County Safe Streets for All Action Plan. Local matching funds are required. In addition, this Resolution endorses the final report and recommendations of the New Castle County Safe Streets for All Action Plan and commits to a goal of Vision Zero, a safety philosophy which states that no loss of life due to traffic collisions is acceptable.

**FISCAL IMPACT STATEMENT:** There is no negative fiscal impact to the City. Although the grant requires a \$50,000 local match, the matching funds will be sourced from previously budgeted funds.
