Furthermore, Council appropriates Community Support Funds (College Scholarship Funds) for scholarships each year to students who are pursuing post-secondary education at a 2-year or 4-year college/university, trade school, or graduate school.

Although the primary role of Council is not that of a grant making agency, Council appropriates Community Support Funds (Strategic Grant Funds of \$5,000 or more) to non-profit 501c3 organizations to assist the local community with the top priorities identified during the Strategic Planning Process.

The mission of the City Council of Wilmington, Delaware is to:

Council has instituted a comprehensive set of measures to ensure transparency and accountability in the use of grant funding including:

- Publishing information on Community Support Funds on City Council's website for public view (www.WilmingtonCityCouncil.com)

Policy & Internal Control
