Subject: Engineering Support for City of Wilmington's Leased Access Channel

In lieu of a third-party service contract, DETV, as the third-party operator for the City of Wilmington's Leased Access channel, will provide engineering staff to maintain and service all production equipment owned by the City of Wilmington.

Our dedicated engineering team consists of Dennis Prichett and Leo Melick, who will oversee all necessary maintenance and servicing to ensure the optimal functionality of the production equipment. Their expertise and commitment will support the seamless operation of the channel and its productions.

Please feel free to contact us should you require any further details or have any questions regarding this arrangement. We appreciate the opportunity to support the City of Wilmington in this capacity.

Sincerely,

Dennis Prichett  
Director of Engineering
