Development***

**Synopsis:**

*This Ordinance is being presented by the Administration for Council's review and approval. This Ordinance sets the property tax rate for Fiscal Year 2026 (July 1, 2025 - June 30, 2026) based on the certification by the Board of Assessment of the assessed valuation of taxable real property in the City and the Mayor's estimates of revenue measures necessary to balance the City budget as required by the City Charter. The property tax rate has been changed from 21.1500 mills to 4.5577 mills. The new rate of 4.5577 mills was calculated so that when applied to the new 2024 assessed values that resulted from the recently completed general property value reassessment done by New Castle County, there is no change in the Fiscal Year 2026 projected total billed property tax revenue to the City when compared to Fiscal Year 2025, prior to when the general property value reassessment was done.*
