

“We are the network connecting communities.”

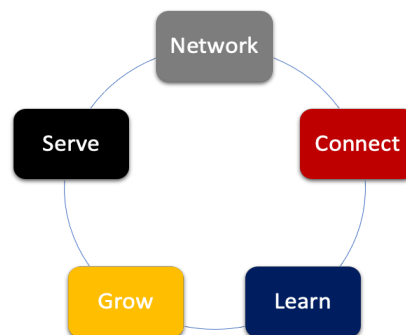

Who We Are

Since 2019, Network Connect’s team has served thousands of Delaware’s children, youth, and families. NC’s service strategy and local presence has provided communities with transformational services. Some of NC’s key programs include:

- ◆ Future Culture Creators; paid youth workforce development program
 - ◆ Dual School: youth and adult design thinking training program
- ◆ Community Well-Being Ambassadors: Community resilience building program
- ◆ RACE to Wellness Campaign: Mental Health and ACEs Awareness Program
 - ◆ Wilmington Street Team: Violence Prevention Program
 - ◆ Dover: Violence Prevention Program
 - ◆ UW Guides: School based community advocates

Mission: Network Connect builds community capacity by coordinating grassroots and local partners to provide youth and families with social services, education programs, workforce skills, and mental health supports.

Impact: Through collective impact, Network Connect seeks to break the cycle of Adverse Childhood Experiences to improve the well-being of youth and families.
