WHEREAS, pursuant to Section 2-363 of the City Code, City Council deemed it necessary and proper to specify the requirements for review and approval of City-sponsored grant applications and proposals, including authorization for expedited grant applications when necessary prior to Council's approval by resolution; and

WHEREAS, the Wilmington Police Department has submitted a grant application to the State of Delaware Special Law Enforcement Assistance Fund in the amount of \$86,000; and

WHEREAS, proposed grant funding in the amount of \$28,000 would allow for the purchase of 10 LifePak 1000 Automatic External Defibrillators (AEDs) to replace outdated, nonfunctioning equipment. This equipment is critical to support City police officers as they render emergency assistance to individuals experiencing sudden cardiac arrest while awaiting the response of EMTs and paramedics; and

WHEREAS, proposed grant funding in the amount of \$58,000 would allow for the replacement of flashlights that are mounted on Department-issued weapons. These lights would provide better illumination and safety, and would replace flashlight equipment that has been in service for more than 10 years and is prone to diminished light output; and

WHEREAS, this grant funding would cover expenses that would otherwise have to be paid for out of the Police Department's annual operating budget, thereby continuing the Police Department's efforts to identify funding opportunities to negate increases to the City's annual operating budget; and

WHEREAS, no matching funds are required; and

WHEREAS, City Council deems it necessary and proper to authorize the grant application for the aforesaid purposes.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF WILMINGTON that the Wilmington Police Department's grant application to the State of Delaware Special Law Enforcement Assistance Fund in the total amount of \$86,000 is hereby authorized.

BE IT FURTHER RESOLVED that the Chief of Police, or designee, shall be authorized to take all necessary actions to accept any and all funds associated with the grant application and to fulfill the grant requirements.
