WHEREAS, New Castle County performed a general property value reassessment that resulted in increased property valuations for real properties in the City, including properties owned by persons eligible for the aforementioned exemption; and

WHEREAS, because of the increased property valuations resulting from the reassessment, the City would like to increase the amount of the exemption on real property taxes for elderly persons and disabled persons to the extent of the first \$210,300.00 of assessed property value to provide a substantially similar exemption post reassessment as existed prior to the reassessment; and

WHEREAS, the income thresholds for elderly persons and disabled persons to receive the real estate tax exemption have not been increased since 1998, and the City would like to slightly increase them to coincide with incomes that are one hundred percent of the federal poverty level, namely, an increase from \$15,000.00 to \$15,650.00 for an individual and from \$19,000.00 to \$21,150.00 for a married couple; and

WHEREAS, Section 44-64 of the City Code also provided for a real estate taxation exemption for caregivers, which expired by its own terms on December 1, 2019; and

WHEREAS, as a housekeeping matter, the provisions for the caregiver exemption should be deleted; and

WHEREAS, in light of the foregoing City Council deems it necessary and appropriate to amend City Code Section 44-64 as described above and set forth below.

NOW, THEREFORE, THE COUNCIL OF THE CITY OF WILMINGTON
