Passed by City Council,

ATTEST: _____
City Clerk

SYNOPSIS: This Resolution authorizes the Wilmington Police Department's grant application to the State of Delaware Special Law Enforcement Assistance Fund (SLEAF) in the amount of \$36,900, or such other amount that the SLEAF awards. The proposed grant funds would be used to purchase (i) a forklift that can be utilized to help safely manage supplies at the Police Department's training facility and (ii) saws that can be utilized to gain entry into structures during high-risk operations. No local matching funds are required.

FISCAL IMPACT STATEMENT: The Office of Management and Budget has reviewed this Resolution, which authorizes the Wilmington Police Department to submit an application for and, if awarded, to accept grant funding from the SLEAF in the total amount of \$36,900, or such other amount as may be awarded. If awarded in full, the grant will provide \$36,900 in external funding to the City for the purchase of a forklift and saws. No City matching funds are required. Because any ongoing maintenance, fuel, or incidental operating costs associated with the equipment are expected to be de minimis, acceptance of the grant will not require an increase in the Police Department's General Fund operating budget in the short term. However, if grant funding is not available at the time the forklift and saws must be replaced, the replacement costs will need to be covered by an increase to the Police Department's General Fund budget.
