SYNOPSIS: This Resolution authorizes the Department of Parks and Recreation's grant application to the State of Delaware Department of Education (DDOE) in the amount of \$525,000, or such other amount that the DDOE awards. The grant funds will be used to reimburse the City for meals provided in the City's 2026-2027 Child and Adult Care Food Program, which will provide dinners and snacks during the months of October 2026 through mid-June 2027 and September 2027 to children and adults via local community centers, camps, and other organizations. No local matching funds are required.

FISCAL IMPACT STATEMENT: The Office of Management and Budget has reviewed and analyzed this Resolution, which authorizes the Department of Parks and Recreation to apply for and accept grant funding from the State of Delaware Department of Education (DDOE) in the amount of \$525,000, or such other amount as the DDOE awards, to reimburse the City for costs associated with providing dinners and snacks through the 2026-2027 Child and Adult Care Food Program (CACFP).

This grant does not require City matching funds and is not expected to result in a net additional General Fund cost, provided that program expenses are eligible for reimbursement and do not exceed the final grant award. Because the grant operates on a reimbursement basis, the City may need to initially cover eligible program expenses using available funds before receiving reimbursement from the DDOE. This may create a cash-flow timing difference but is not expected to result in an additional City cost unless expenses are determined to be ineligible or exceed the awarded funding. Any such costs would need to be covered by another authorized funding source.
