# MESSAGE FROM CHIEF OF POLICE WILFREDO CAMPOS

---

I am pleased to present our agency's sixth Year-End Report, which includes analysis of crime data and details about our initiatives and accomplishments throughout 2025.

We are proud to report continued, sustained reductions in major crime categories again in 2025 - with double-digit drops in murders, shooting incidents and shooting victims. Notably, 2025 saw the lowest number of shooting incidents in a single year since 2003. We have once again seen a decrease in overall Part 1 crimes, and saw decreases in all but one individual Part 1 crime category as well. We have also continued the trend of reducing misdemeanor theft incidents - like package thefts and thefts from vehicles. Also following a similar trend in previous years, our investigators continue to see sustained reductions in the share of shooting incidents and murders that are connected with group violence. While these reductions are noteworthy, we recognize there always remains more work to be done, and we will continue to leverage our proven crime reduction strategies and work relentlessly to make our neighborhoods even safer.

This past year also saw the continuation of our programs and initiatives that support our community - including our Partners in Care mental health co-responder program, weekly Community Outreach Walks and monthly Community Resource Fairs. We also continued to support a Wellness Program for our active and retired police officers and civilian employees; celebrated the graduation of a Police Academy class; and saw the launch of our latest class with the highest number of recruits in years.

I continue to be proud of the dedication and commitment of each of our police officers and civilian employees, and appreciate the support of our community and all of our partners. We look forward to building on this progress in 2026!

# OUR LAYERED CRIME STRATEGIES

---

In recent years, the Wilmington Police Department has fundamentally transformed its approach to public safety, with the adoption of proven, evidence-based crime reduction strategies and the embrace of the latest technological tools. The department's core strategies include:

- **Community Policing**, with each and every member of the agency serving as a community policing officer;
- **CompStat Methodology**, applying business management principles to policing to ensure greater levels of focus and accountability;
- **District Integrity**, assigning the same officers to the same neighborhood each time they report for duty;
- **Intelligence-Led Policing**, leveraging the department's Real Time Crime Center to help gather and disseminate intelligence to all personnel;
- **Group Violence Intervention**, blending local, state and federal law enforcement efforts and social service provision into a holistic crime prevention strategy;
- The integration of **NIBIN firearm and ballistic tracing and analysis** and the launch of an embedded Crime Gun Intelligence Center in partnership with the federal Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF);
- **Enhanced GunStat**, including embedded prosecutors with the United States Attorney's Office and the Delaware Department of Justice, who meet several times each month to review every gun arrest and determine whether federal or state prosecution can result in stronger penalties for those responsible for gun violence and firearm crimes in Wilmington;
- **Law Enforcement Partnerships**, involving our local, state, regional and federal partners, which are strengthened through regular information sharing and weekly intelligence meetings to help share information and coordinate our collective response to crime and violence that transcends our jurisdictional boundaries; and
- **Community Partnerships**, which involve social service, public health and community service entities that can connect our residents to resources, as well as our **Partners in Care Co-Responder Program**, which pairs trained mental health clinicians with police officers.

Each of these core strategies has played a role in some of the successes we have seen over the past several years.

# BY THE NUMBERS

---

8%

Reduction in overall Part 1 crime in 2025, compared with 2024

20%

Reduction in murders compared with 2024

21%

Reduction in shooting incidents compared with 2024

428

New individuals who received services through our department's Partners in Care Co-Responder Program

15

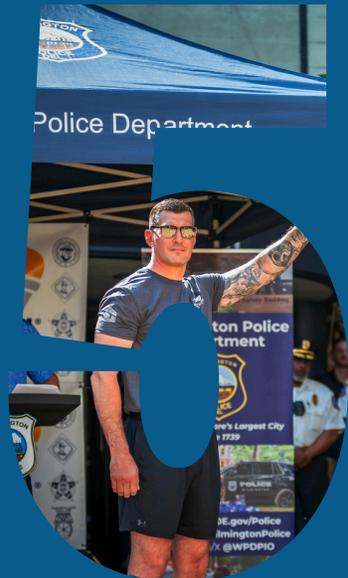

Administrations of Narcan/Naloxone by patrol officers, when encountering subjects suffering from apparent drug overdoses

61

Community Resource Fairs, Community Outreach Walks and Coffee with a Cop programs organized throughout our neighborhoods

85+

Partners from various social service, public health and community service providers who join us for regular outreach programs

# NOTABLE ACHIEVEMENTS

As we look back on the year 2025, we are proud of some key accomplishments made by the dedicated members of our agency:

- We have continued to carry out our core crime strategies, which continue to bring about reductions in overall Part 1 crimes, shooting incidents and murders
- As we have continued our efforts to recruit police officers amidst national and regional hiring struggles, we have seen significant progress through the application and hiring processes for our 105<sup>th</sup> Wilmington Police Academy class - which saw a total of 213 applicants and included 19 recruits who were selected for the class. As the intensive training program continues, 16 future WPD officers remain in the class and are expected to graduate at the end of February
- We continue to see the positive impact of our Partners in Care co-responder program, which includes a case manager and two trained mental health clinicians, who respond as a team to calls for service involving mental health, substance use and other crisis situations
- We have entered into a five-year lease agreement with the Wilmington Housing Authority for a building at 400 North Walnut Street, which provides much-needed office space and dedicated facilities for our Wilmington Police Academy
- We have continued our focus on community policing and engagement through our Community Engagement Unit, as well as monthly Community Resource Fairs, weekly Community Outreach Walks and our monthly Coffee with a Cop events
- We have continued our engagement with youth through our Learn to Ride program and our summer Youth Public Safety Academy, which we host in conjunction with the Wilmington Fire Department. We have also continued our Cadet Program, which offers young people opportunities to explore careers in policing through paid summer employment

# YEAR-END CRIME STATISTICS

Included with this report is a **Year-End 2025 CompStat report**, which captures preliminary data regarding reported offenses in Wilmington for the entire year. While final, official crime statistics for every jurisdiction are issued by the Federal Bureau of Investigation through its Uniform Crime Reporting Program, that data is often not available until the fall of the following year. With this in mind, our agency publishes CompStat reports on our website on a weekly basis, with the objective of sharing the data that drives our operations and providing the public with details on reported crimes in Wilmington. Members of the public can also access crime data updated daily by visiting **CrimeMapping.com**. Preliminary year-end 2025 statistics reveal the following general findings:

- **Murders** – Wilmington experienced a 20% decrease in murders in 2025 - with 20 murder victims (across 19 incidents) compared with 25 murders in 2024. One murder was the result of a fatal assault, with the majority of incidents resulting from gunfire.
- **Shooting incidents** – Last year, Wilmington saw a 21% decrease in shooting incidents (64 incidents in 2025 compared with 81 incidents in 2024) - which is **the lowest number of shooting incidents in a single year since 2003** (when there were a total of 54 shooting incidents). There was also a 17% decrease in shooting victims, with 84 in 2025 compared with 101 in 2024.
- Similar to what we found over the past couple of years, in 2025 our investigators observed sustained reductions in the share of shooting incidents and murders related to group violence. When accounting for all shooting incidents and murders in 2025:
  - 14% of incidents could be described as ‘isolated incidents’, with 3 being domestic-related and 6 being related to altercations or other isolated causes
  - 20% of incidents are believed to have been related to narcotics or robberies
  - 12% of incidents are believed to have been related to group violence
  - The motive in connection with the remaining 54% of incidents remains under investigation

# YEAR-END CRIME STATISTICS

CONTINUED

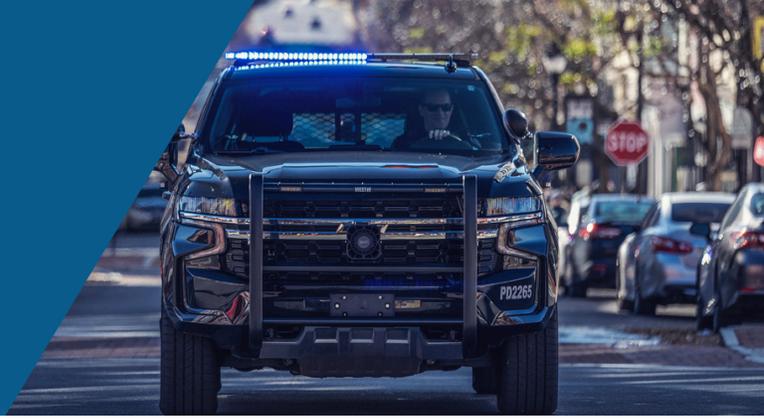

- Overall crime** – Last year, there was an 8% reduction in overall Part 1 crimes (which include murder, rape, robbery, aggravated assault, burglary, felony theft and auto theft). There were also reductions in all but one individual Part 1 crime category, with the only increase being a slight increase in burglary incidents (353 incidents in 2025 vs 346 in 2024). Notably, the total number of Part 1 crimes reported in 2025 reflects a 31% reduction when compared with 2017.
- Reductions in misdemeanor thefts** – Year-end 2025 data reveal a continued reduction in misdemeanor thefts (including package thefts and thefts from vehicles), with a 14% reduction compared with 2024 - and a reduction by 52% when compared with 2017.

## Gun Arrests

The chart below captures the number of gun arrests made by our agency in 2025, along with comparisons with year-end totals for the prior seven years. Our officers continued our trend of consistently high numbers of gun arrests being made each year - reflecting the unrelenting efforts of our patrol officers and investigators to hold gun offenders accountable and to remove illegal firearms from our community. These efforts have undoubtedly contributed to the reduction in shooting incidents that our agency reported in 2025.

	2018	2019	2020	2021	2022	2023	2024	2025
Total Gun Arrests	164	171	307	293	295	197	229	200
Juvenile Gun Arrests	14	20	53	45	45	26	40	46

# YEAR-END DATA

Over the past several years, our department has adopted new technology and has begun to better leverage data to guide operational decisions and the allocation of resources, whether related to crime trends or general management. Below, we include preliminary year-end metrics – with comparisons dating back to 2018 – capturing various aspects of our service to the City of Wilmington.

## Calls for Service and Community Engagement

This captures the total number of calls for service logged each year, from 2018 through 2025. The second row indicates the combined number of directed patrols (foot patrols) logged by officers and community meetings attended by our police officers.

	2018	2019	2020	2021	2022	2023	2024	2025
Calls for Service	120,494	114,956	105,709	96,098	89,781	99,376	101,570	88,663
Foot Patrols, Community Meetings	29,441	25,080	25,737	23,694	18,310	31,297	28,571	23,563

## Clearance Rate for Murder Investigations

Each year, the WPD Criminal Investigations Division records the clearance rate for murder investigations, which is calculated in keeping with the Federal Bureau of Investigation’s Uniform Crime Reporting program and in the same manner as agencies across the country. This rate has typically transcended national averages. The rate for 2025 includes arrests in connection with 19 murder incidents - including 5 that occurred in 2025 and 14 from prior years, in large part through the efforts of our Cold Case Unit.

	2018	2019	2020	2021	2022	2023	2024	2025
Clearance Rate	62%	67%	40%	59%	65%	114%	96%	100%

# YEAR-END DATA

CONTINUED

## Victim Services Unit and Youth Response Unit outreach

The WPD Victim Services Unit and Youth Response Unit are civilian teams dedicated to supporting victims of violent crime. They offer a broad range of services, including crisis intervention, emotional support, information, and referrals. Victim Services professionals are available 24/7 to respond to crime scenes and assist victims in navigating the criminal justice system. Specialized services are also provided for victims of domestic violence and Spanish-speaking individuals.

The Youth Response Unit operates as a partnership between the Wilmington Police Department, the Delaware Division of Prevention and Behavioral Health Services, and A Seed of Hope Counseling. This team of clinicians offers free, voluntary trauma assessments and short-term counseling for children and families impacted by traumatic events, whether as victims or witnesses.

The following statistics (continued on the next page) capture the service provided by these two teams.

	2018	2019	2020	2021	2022	2023	2024	2025
Victim Services - New Victims Served	1,090	1,275	1,274	1,406	1,148	1,388	1,372	1,328
Victim Services - Office, Home or Field Visits	357	343	243	318	269	372	334	303
Victim Services -Call-Outs and After-Hours Requests	63	86	61	73	52	47	65	65
Victim Services -Help w/ Victim Compensation Applications	144	220	236	293	153	147	191	178

# YEAR-END DATA

CONTINUED

## Victim Services Unit and Youth Response Unit outreach (continued)

	2018	2019	2020	2021	2022	2023	2024	2025
Youth Response - New Clinical Clients	44	67	32	75	46	76	56	67
Youth Response - Families Provided with Information and Assistance	134	107	159	249	129	198	122	205

### Citizen complaints

The chart below captures the total number of citizen complaints received by our department over the past eight years. The WPD Office of Professional Standards publicly releases an annual report on our website that provides greater detail about citizen complaints that are received, as well as administrative complaints and reviews that are conducted internally, along with final dispositions.

It is worth noting that, in recent years and since the implementation of our department's Body-Worn Camera program, video footage has been a valuable tool for investigators who are following up on complaints that are filed.

	2018	2019	2020	2021	2022	2023	2024	2025
Citizen Complaints Received	50	33	20	50	33	38	32	42

# COMMUNITY ENGAGEMENT

The Wilmington Police Department is proud of its continued focus on community engagement over the course of the past year.

## **Community Engagement Unit**

In January 2023, we launched our Community Engagement Unit, which includes 9 police officers - 1 for each of our 9 policing districts. Throughout the past two years, members of this team have continued to work in their assigned areas each day to interact with residents, troubleshoot neighborhood concerns and build on our engagement efforts throughout our community.

## **Coffee with a Cop**

Each month throughout 2025, WPD officers visited a different coffee shop in Wilmington to spend a morning interacting with residents and visitors as they pick up their morning coffee and bakery treats. We also publicize locations - which are spread throughout the city - and have enjoyed seeing regulars stopping by to talk with officers, ask questions and share safety concerns or issues in their neighborhoods.

## **Youth Public Safety Academy**

In 2025, we once again organized our popular summer enrichment and education program for youth - our annual Youth Public Safety Academy. Formerly our Youth Police Academy, this program was expanded in 2023 to include the Wilmington Fire Department. Our 2025 academy was a success, and we provided 24 youth participants with a hands-on introduction to future career opportunities in public service and public safety in Delaware's largest city.

# COMMUNITY OUTREACH

Throughout 2025, the Wilmington Police Department continued its core initiatives to support our community.

## **Community Resource Fairs**

Building on the department's prior, once-annual National Night Out, our agency organized three Community Resource Fairs in September 2022. After an outpouring of interest from our partner organizations and the community, we expanded this to be a monthly initiative that has continued throughout 2023, 2024 and 2025 - with 33 fairs held since 2022, and as many as 45 social service, public health, government and nonprofit community service partners coming together to extend resources to our community each month.

Programs in 2025 were held at the Police Athletic League of Wilmington, the William "Hicks" Anderson Community Center, the MSK Community Center, Ezion-Mt. Carmel United Methodist Church, and city parks located throughout Wilmington. You can learn more and view our 2026 schedule at [WilmingtonDE.gov/ResourceFairs](https://WilmingtonDE.gov/ResourceFairs).

## **Community Outreach Walks**

Since October 2022, Wilmington Police officers have come together with social service and public health partners every Thursday for a one-hour outreach walk. Each week, a location is chosen by WPD sector captains or our community partners, with an eye towards walking in areas where residents could benefit from a variety of resources - as well as areas affected by crime and violence. Our core partners include government and nonprofit social service, public health and community outreach partners - as well as the City's two federally-qualified health centers - Westside Family Healthcare and the Henrietta Johnson Medical Center.

You can learn more and see upcoming walk locations at [WilmingtonDE.gov/OutreachWalks](https://WilmingtonDE.gov/OutreachWalks).

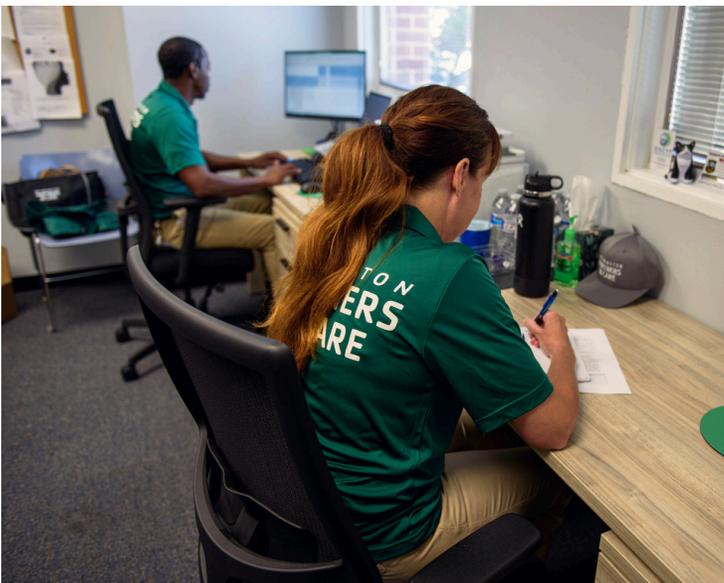

# PARTNERS IN CARE CO-RESPONDERS

Under the leadership of Chief Campos, another key focus for our department in 2025 was the continuation of our Partners in Care Co-Responder Program - a partnership with ChristianaCare that was launched in March 2024. Our program includes a case manager and two trained mental health clinicians, who respond together with police officers to calls for service and conduct proactive outreach throughout our city.

This program continues to make a positive impact in Wilmington. Our team continues to gain trust and recognition throughout our community, and has had success connecting residents with critical support in times of crisis. Our committed team has provided assistance during acute crisis situations, and has conducted follow-up and helped to link those in need with resources - including referrals for mental health treatment, addiction support and healthcare services; referrals to other social service providers; details about emergency shelter options; and referrals to our WPD Victim Services Unit and Youth Response Unit.

In 2025, **a total of 428 new individuals received services** from our Partners in Care team, with 743 total clients since the inception of our program. We encourage you to learn more about our program, and explore our quarterly progress reports, at [WilmingtonDE.gov/PartnersInCare](https://WilmingtonDE.gov/PartnersInCare).

*This program is funded in part through the Delaware Criminal Justice Council by the U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Assistance, Comprehensive Opioid, Stimulant, and Substance Use Program.*

# POLICE OFFICER WELLNESS

Another priority of Chief Campos has been to increase our focus on resources geared towards supporting the health and wellness of our police officers and civilian employees.

For several years, our agency has organized a **Critical Incident Stress Management - Peer Support Team**, which includes sworn and civilian members of our department who complete rigorous training to serve on a team that provides confidential support to members of our department who experience trauma or stress. Our team provides mandatory debriefings following critical incidents, and is available around the clock to support members of our agency. Additionally, in 2023, WPD welcomed **Barry, our Trauma and Wellness Dog** - to our staff. Barry is attached to our Critical Incident Stress Management - Peer Support Team, and is also available to assist our Victim Services Unit and Youth Response Unit to support crime victims and those affected by trauma and violence.

In July 2024, we announced **the launch of a WPD Wellness Program**, which includes six police officers who have been working to identify health and wellness needs and interests, and to identify programs, training and resources to support our current and retired employees. In conjunction with their efforts, we launched a **mobile wellness application** that provides anonymous access to information, resources and referrals to treatment providers to support a wide range of personal and professional challenges that our sworn and civilian employees might encounter. We continue to explore programming to support the health and wellness of all members of our WPD family.

# RECRUITMENT SNAPSHOT

Throughout the past year, the WPD Human Resources Division – under the leadership of Major Anthony Bowers, Major Andrea Janvier and Captain Matthew Rosaio – has worked each day to recruit future police officers.

We are proud of everything that our team has been able to accomplish in 2025, including:

- Completing the 104<sup>th</sup> Wilmington Police Academy, which included 10 new police officers who graduated from the intensive training program on July 25
- Joining police agencies across Delaware through participating in new statewide recruitment and application platforms
- Completing the application and selection process for the 105<sup>th</sup> Wilmington Police Academy, which drew 213 total applications - a significant increase from prior processes - and a total of 19 selected recruits, forming the largest academy in recent years. To date, 16 recruits remain active in our intensive training program and they are expected to graduate and begin their careers as police officers at the end of February
- Commencing the application process for the 106<sup>th</sup> Wilmington Police Academy, which opened on December 8; applications are due by January 30, and the academy class is expected to begin in July
- We look forward to continuing our efforts to recruit future Wilmington Police officers, and to work towards reaching our authorized strength of 305 sworn police officers.

To learn more about the application process for our 106<sup>th</sup> Wilmington Police Academy and to apply online, visit [www.wpd.com](http://www.wpd.com).

# LOOKING FORWARD 2026 OBJECTIVES

As we enter 2026, the Wilmington Police Department continues to work towards further improving departmental operations, and expanding our efforts to support our community, with the following core objectives:

- **Continuing to build on our progress over the past several years in reducing crime and improving public safety** in Wilmington; we have seen sustained reductions in violent crime, and in violence related to groups and gangs, and look forward to building on these reductions through the continued implementation of our crime strategies like Group Violence Intervention, as well as through the tireless efforts of our police officers and investigators
- **Continuing to operate our Partners in Care Co-Responder Program**; launched as a pilot initiative in 2024, this program has already made a significant impact in our community, and we look forward to seeing this great work continue, and to exploring ways to expand our team in the future
- **Continuing to support our community** through our monthly Community Resource Fairs; weekly Community Outreach Walks; and monthly Coffee with a Cop programs, as well as the work of our Community Engagement Unit and each of our units and teams
- Exploring **additional resources and tools** to support the health and wellness of our police officers, as well as all of our employees, through our newly established Wellness Program
- Continuing our efforts to **recruit future Wilmington Police officers**
- Exploring software platforms to provide residents with the option to **request police reports for some nonviolent incidents online**

We look forward to working towards achieving these objectives!
