SYNOPSIS: This Resolution authorizes the Office of Emergency Management's grant application to the Delaware Emergency Management Agency for a Fiscal Year 2025 Emergency Management Performance Grant in the amount of \$400,400. The grant contains a fifty percent (50%) local match requirement of \$200,200. The funds will be used to support the operation of the Office of Emergency Management and the Emergency Operations Center.

FISCAL IMPACT STATEMENT: The Office of Management and Budget has reviewed this Resolution and the supporting grant documentation. This Resolution authorizes the Office of Emergency Management's grant application for the Fiscal Year 2025 Emergency Management Performance Grant (EMPG) in the total project amount of \$400,400, consisting of \$200,200 in federal grant funding and a required 50% local match of \$200,200. The grant funds will support the administration and operation of the Office of Emergency Management, including personnel costs, supplies, equipment, services, maintenance of the Emergency Operations Center, and eligible emergency response expenditures. The required local match is included in the City's Fiscal Year 2027 approved General Fund budget. Because the federal grant reimburses eligible expenditures on a matching basis, acceptance of the grant is not anticipated to have any fiscal impact on the General Fund beyond the budgeted local match.
